

**HBABC Meeting Minutes**  
**Monthly Meeting 7/8/19**  
**Location: 110 Grill - Nashua**

In Attendance: Tom Whalen, Jenn Razzaboni, Sheryl Paquin, Dave Belanger.

Meeting came to order at 6:45pm.

No prior meeting minutes to review.

Treasurer's report - Approx 33,000 in General Fund, additional 25,000 in reserve for turf field bleachers. Approx 50,000 in team accounts.

- Jenn discussed volleyball accounts, splitting boys and girls. Agreed to work with Tom on budget he developed with Becky and Jake. Decided to leave GMS camp income in girls account and transfer funds to boys account if requested based on boys registration in camp (will need to calculate a per participant profit number).

- Jenn also updated the golf net income to approx \$5,400. She is reviewing the donors one more time to make sure it's an accurate number, but it's better than originally thought.

New Business - Reviewed 2019/2020 Officers and Committee Heads list (attached). All agreed on list as submitted. No elections were held due to no new officers coming forward.

Girls field hockey skills camp on 8/12, 13 & 14 approved as fundraiser. Noted that it conflicts with the boys lacrosse camp - will let Allie handle with Brian B. Webpage set up and ready for registrations.

All approved donation to track team account from BC General Fund for volunteer work at Hollis spring roadside cleanup (25 participants) and manning the stations at the HB Rotary Fast 5K (approx 25 participants). Discussed amounts and agreed \$500 was a reasonable amount per event. *Treasurer will transfer total of \$1,000 to track team account for the two events.*

All approved splitting costs of golf bags with school for school team. Approx \$1,000 total cost to club. We will pay full bill and invoice SAU for half.

No update on spirit wear

Facilities Committee (Tom) reported that all roadblocks to construction have been cleared, the contracts have been signed with the general contractor and work should begin shortly. Due to the abutters needless delaying of agreement, the field will not likely be ready for play until fall playoffs. All agreed it would be better if the town leadership in Hollis was less aggressive toward defeating all athletic pursuits at the Coop.

Tom discussed an "Activities Agenda" he put together that lists all of the BC events in one place to help us plan for upcoming activities. In particular, looking at the agenda, we should be able to find events teams can volunteer for as part of HB Helps (i.e. old home day, blood drives, annual meetings). Also looking for events we can be present at to recruit parents. We need to get more exposure to the Middle School parents. We need to pursue this at the next meeting.

Tom also submitted an "active members" list of people who are eligible to vote at meetings. All agree *this should be maintained by the secretary for the benefit of the club.*

Next meeting scheduled for Tuesday August 6 6:30pm at the High School front office conference room.

All are invited to attend and *bring a friend*. We are in need of new active members, particularly younger student parents.

Meeting was adjourned at 8:15pm

Respectfully submitted,  
Tom Whalen
