Treasurers Report:

Mike Coutu reports the HBABC general account has 70,500. Suggests moving 50k into the dedicated account for field donation. Leaving just over 20k in the general account. The ski swap account has enough to cover outstanding checks and a little bit of advertising. There are no athletic events happening and no requests for funding at this point.

Class of 2020 yard sign discussion:

Mr. Barnes sent a survey and we now have 153 signs with first names on them...but have ordered extra. Susan's interact team, student council and booster club volunteers will be distributing on Saturday.

BC organizers will meet and separate signs by town and label for distribution. Socially distance meeting. Then kids/teachers/volunteers will deliver signs in the afternoon.

Mike will check if we can meet at the HS parking lot and he will create labels for the signs. He will send an email with all details to the crew of volunteers.

Various members in the meeting volunteered: Mike, Deanne, Susan, Eileen. For separating and distributing. Ryan C and Student council, interact, teachers for distribution.

Discussion on how to deliver them...fanfare, place on porches or near front of the house. Deliverers will put stand on each sign. About 10 signs per deliverer.

Possibly text recipient in advance. An email will go out ahead as well.

Meeting adjourned by Mike.
